

Peter's Requests

- We would like to announce the opportunity within our Peter Block and Designed Learning social media networks. Please tag your social media posts about events and/or content by Peter Block with @PeterBlock and @DesignedLearning (LinkedIn) or @Peter_Block and @DL_Global (Twitter).
- We would like to have access to and permission to use the recording on Peter's websites.
- We want permission to use excerpts from this program in any way we see fit, always crediting the source.
- We would like to have contact information of the participants to invite them to join Peter's mailing lists.
- Please publish the content of the box below as part of your slides or with your podcast.

Peter's work is in the restoration of the common good and creating a world that reclaims our humanity from the onslaught of modernism.
